Awaiting Results of Motion for Summary Judgment

On February 21, 2001, several residents attended our Motion for Summary Judgement (MSJ) hearing at the Circuit Court in Annapolis. Through our attorney, we asked the judge to uphold and enforce our 1938 Injunction on the clubhouse. The Injunction grants lot owners free and unobstructed use of our community property. The judge heard arguments from our attorney and the attorney for Youth Development Foundation (YDF). YDF, which has locked us out of the clubhouse, believes we do not have rights to the building, only rights to the land surrounding it.

As this article is being written (March 22, 2001), we have not yet heard the judge's decision. The judge is not under any time limit for rendering his decision, although we are assuming he will decide by our full trial date, which is April 11, 2001 at 9:00 AM at the Circuit Court in Annapolis. We will proceed with the full trial only if the judge does not rule in our favor for the Motion for Summary Judgement. At the full trial, we will be asking the judge to consider several other counts in addition to enforcing our Injunction.

The Selby Community Association will do its best to inform the community as quickly as possible of the outcome of the MSJ hearing and what our next step will be following the judge's decision.

For further details about this issue, please call Susan Lanier at 410-798-5050 or Bill Harding at 410-798-1036.

Operation ID

Selby on the Bay is participating in Operation ID. This program involves using an engraver to etch your driver's license number onto your valuables, or photographing them instead, in order to assist police with locating your belongings if they are ever stolen. You will receive two Operation ID stickers to place on doors or windows of your house to let others know you participate in this program. To borrow an engraver, or for more information, please call Beth Livingston at 410-798-9474.

Crime Information Reward Fund

Last May, the Selby Community Association began collecting money for the Crime Information Reward Fund (CIRF), which will be used to reward with cash anyone who supplies information to the police which results in the apprehension of a person or persons who commits a crime in Selby. CIRF is being modeled after Crime Stoppers and we will receive assistance with this program from the county police. Our goal is to collect \$1000 before we initiate the program. We have collected over \$600.00 so far. If anyone would like to donate toward this fund, please send your contribution to Selby Community Association, PO Box 599, Mayo, MD 21106.

Beach and Playground Improvements

SCA has received a matching grant through A. A. Co. Recreation and Parks to replace the merry-go-round at the beach. We hope to have the new equipment installed sometime this spring.

In addition, we have ordered jellyfish nets. Volunteers will be needed to help install the nets this summer. We will provide more details about the need for volunteers in future newsletters.
