PRINCIPAL'S MESSAGE

Dear Parents:

South River's staff established a primary goal this year of building strong relationships with students, parents, and the community. Parent and community support for our school has been fantastic. A prime example of this support was demonstrated by the huge success of our Harvest for the Hungry campaign. In addition, our students have shown a great willingness to work together and with their teachers to achieve success.

Research shows schools with healthy climates built upon solid relationships are generally highly effective in all aspects of their programs. Although not perfect, we continue to strive to provide the very best opportunities for our students to have a successful high school experience.

Part of a successful student experience begins with the selecting of the right classes that are level appropriate and challenging. We will soon begin our registration process for the 2018-2019 school year. Please review your child's selections carefully. Information concerning the registration process will be posted on line.

Athletics and academics continue to excel at South River High School. Almost 70% of our students made the honor roll during the first marking period. Our athletic teams were once again very competitive during the fall season. Our field hockey team was the 2017 County Champions. The golf team was District Five Champions. Our football team was in every game this year earning Coach Dolch The Capital newspaper's Coach of the Year honors. Our Literary Magazine, *Etchings*, was named "Best in the Nation" by American Scholastic Press Association. Congratulations to Ms. Gail Snyder and her students for achieving this distinction.

Here are our latest “Students of the Month:”
